Job Description:

Location

Thornhill, ON L3T 2E6

Specifics of Afterschool Programs:

Afterschool programs are compensated on a session basis. The following session times are available: 3:30–4:30 pm, 3:15–4:45 pm, and 4:00–5:00 pm (1 hour session).

Lifetime Skills Academy (LSA) Overview:

Our goal at Lifetime Skills Academy (LSA) is to develop future leaders who are equipped to succeed in a technologically advanced society. We expose students to cutting-edge technology while fostering critical soft skills like public speaking and leadership via dynamic and creative programs. We provide a nurturing, upbeat learning atmosphere where children may flourish under the direction of curricula created by professionals in psychology and technology.

Overview of the Role: LEGO Design Instructor

To teach LEGO design and engineering workshops in our afterschool program, we are seeking a creative, enthusiastic, and driven person! If you appreciate working with children, constructing with LEGOs, and inspiring the next generation of problem solvers and creators, this is the position for you.

Particular Accountabilities:

Organize interactive, entertaining LEGO construction classes for elementary or middle schoolers.

Use play to impart fundamental engineering ideas, design principles, and creative problem-solving techniques.

Promote cooperation, dialogue, and self-assurance in a nurturing

setting.

Materials should be set up and cleaned both before and after each session.

Assure everyone who participates of a secure and welcoming environment.

Keep track of attendance and provide short reports as required.

The ideal applicant

Remuneration

Experience and credentials will be used to decide compensation. People with disabilities are invited to apply, and TAC Sports will provide accommodations as necessary by law.

Type of Job: Full-time, contract with a set duration.
